

## COMMUNITY OUTREACH PROGRAM

Founded in 2000 by Speech-Language Pathologist, **Robin Seccafico**, DYNAMIC is a New York State Department of Health (DOH) approved Early Intervention (EI), Preschool & School-Age service provider, serving families in the **New York City boroughs, Orange, Rockland, Ulster & Dutchess County**.

DYNAMIC is committed to supporting parents & professionals in the communities for which we serve. Therefore, DYNAMIC offers FREE IN-SERVICE TRAININGS on a variety of topics related to early childhood development, common developmental disorders, treatment modalities and parenting issues. DYNAMIC trainers include many **licensed and certified professionals** such as Speech-Language Pathologists, Physical & Occupational Therapists as well as Special Educators & Social Workers. *Our presentation topics include but are not limited to:*

- **Feeding & Swallowing Disorders**
- **Understanding Autism Spectrum Disorders**
- **Addressing Behavioral Challenges in Young Children**
- **Behavioral Vs. Developmental Treatment Approaches**
- **Effectively Advocating for Parents of Special Needs Children**
- **Enhancing Cognitive Skills in Children with Down Syndrome**
- **Teaching Communication Skills to Children with Speech & Language Impairments**

DYNAMIC can customize presentations to address specific training needs, as requested. FREE workshops are typically two hours in length and always include certificates of attendance. Trainings can be arranged Monday through Friday during morning, afternoon or evening hours.

To arrange a free training simply call or email Director, Dawn Mastoridis at **718-775-5374** or email [dmastoridis@dynamictherapy.org](mailto:dmastoridis@dynamictherapy.org).
