

Life is Precious

Newsletter For Parents

Welcome to the first newsletter for parents who have daughters in Life is Precious. We started this to help keep parents informed and involved in their daughters' lives and progress! We have four new announcements:

- 1) We are scheduled to move to a brand new building on Third Avenue and 180th Street. The anticipated move date is early October-which is just around the corner!
- 2) Jocelyn Mitchell has joined Life is Precious as a case manager to help parents with any needs they may have. Some of you might know Jocelyn from the clinic where she saw clients. She will be working with us on Thursdays from 4-7, Fridays from 12-8, and Saturdays from 9-2. She speaks Spanish and is available to help parents. She will be calling each of you to introduce herself and set up an appointment to meet you.
- 3) Elba Acosta is a program director for Projecto Vida-a grass roots campaign to educate parents, and the public at large, about teen suicide. She will be calling each of you to introduce herself and tell you more about her program.
- 4) We are setting up a date for Parents Day. We want you to come by and give us your ideas about how Life is Precious can help your teenage daughter. Look for an invitation coming in the mail.
